Think Secure. This email is from an external source.

Dear Colleagues,

We have had requests from a number of our IPI-ConfEx contacts to facilitate an informal virtual get-together so that colleagues in the patent information industry across Europe can keep in touch with each other. We can share ideas and opinions, as well as connect on a social level.

Therefore, the first **IPI-ConfEx 'Connect' Virtual Gathering will take place on Zoom on Wednesday, 19th May from 3:00pm to 3:45pm UK time which is 4:00pm to 4:45pm Brussels time.**

This initial virtual gathering on 19th May will mostly be a social event for catching up with each other. We will also have smaller breakout groups to make it easier for conversations. In the breakout groups we will also discuss what shape and form the gatherings should take in the future. The main objective of the meeting is to keep in touch with each other, continue to address any industry questions, and share any thoughts and ideas that helps our profession keep fresh and vibrant.

Please spread this message to your industry colleagues and friends, and to your national association and user groups. Due to the number limits, only the first 100 attendees can join the zoom meeting.

Would love to see all of you on May 19th – Zoom details below:
