

21st April 2021

CEPIUG Communication Summary

2021-03-08 To 2021-04-20

March and April have been very quiet and only a few communications have been received from the offices and other organisations.

Communications from WIPO

First session on “Closing the Gender Gap in IP”

The first session, “Closing the Gender Gap in Intellectual Property – Mapping and Addressing Barriers”, will take place virtually, on April 28, 2021 from 12 to 13.30 (C.E.T). During this session, panelists will address barriers that limit women in using the IP system and explore opportunities to enable them to foster their participation in IP.

QPIP Fee Reminder

The invoices for the annual fee have been sent out in March 2021 by the ISBQPIP (International Standards Board for Qualified Patent Information Professionals).

If you have not received that invoice it may have ended up in you spam folder.

Please double check and get in touch with the ISBQPIP by visiting: <https://www.qpip.org/contact> or by sending an email to info@qpip.org . The ISBQPIP would like to learn how many emails have been caught by spam filters.

Please pass this on to your members !
