Subject: BPIP: WIPO IP Information Roundtable, 1 December 2020

Dear BPIP colleagues

This is one of three rather detailed emails that have been sent to BPIP on WIPO matters that will be of interest to members.

WIPO virtual IP Information Roundtable, 1 December 2020

CEPIUG are encouraging all member user groups to have at least one of their CEPIUG Board members attend the meeting, particularly as there is a specific agenda topic on *“Possible Collaboration/Partnerships with users groups”*, led by the Marketing & Communications Officer, Global Databases Division, Mrs Sandrine Ammann.

Another topic of interest is from Mr Young-Woo Yun, Head of the Standards Section, International Classifications & Standards Division, on *“Standards for IP Data/Information (legal status, Applicant’s names standards, 3D representation, blockchain, etc.)”*. Further details are provided in the program (see link below), and details of the last meeting [slides on a similar topic](#) and [the meeting minutes](#) (from 21 October 2019) are available via the AIDB website (but not, apparently, from the [WIPO IP Roundtable](#) pages).

See the message below (with my highlighting); please do let me know if you plan to attend; Jane List is planning to attend as BPIP’s current CEPIUG Board representative; Susan Bates is invited on behalf of PATMG.

From: FEDER-AGUILERA Nancy <nancy.feder@wipo.int>

Dear Sir/Madam,

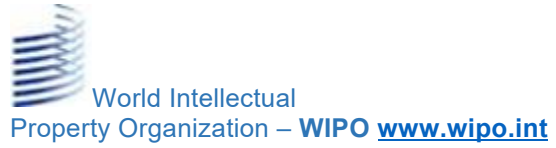

We have the pleasure to invite your organization to participate in the IP Information Roundtable organized by the World Intellectual Property Organization (WIPO) remotely via WebEx on December 1, 2020.

The objective of this event is to provide interested circles, such as IP information users groups, patent law associations, experts and others from around the world with an international forum where IP Information matters such as legal statuses, patent information, IP databases, etc. can be discussed. Please see [program](#) attached.

Participation is by invitation only to focus on matters specifically related to IP information, patents, patent databases and the PATENTSCOPE search system; however, please feel free to pass on this invitation to any IP information professional who might be interested in attending the IP Information Roundtable. We shall be grateful if you could nominate your representative(s), at your earliest convenience, and send it to Ms. Sandrine Ammann at her e-mail address: sandrine.ammann@wipo.int so she can contact them for any further administrative arrangements.

We look forward to your participation in the IP Information Roundtable.

The Secretariat of WIPO

Regards

Jeanette Eldridge
BPIP Secretary
