

Q1. Which one of our members worked at all of these companies?

A Grade I listed building on the original site

Q2. Which of our members has a connection to all these companies and sites? Can you name all five?

There was a spooky resemblance between the new company logo and the local football team's design!

Hint: 40th anniversary of site in 2008, before this site closed in 2011, with move to other site (below)

Another "classic" building at a different company, as it was in the 1980s

.... now demolished

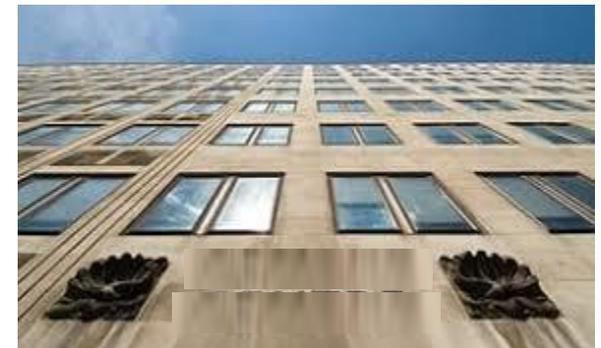

Q3. Which industry sector connects these past members, and which sites belong(ed) to which organisation?

Q4. Who else was from one of these companies, who only attended one of our meetings as a member, but many more as a provider rep?

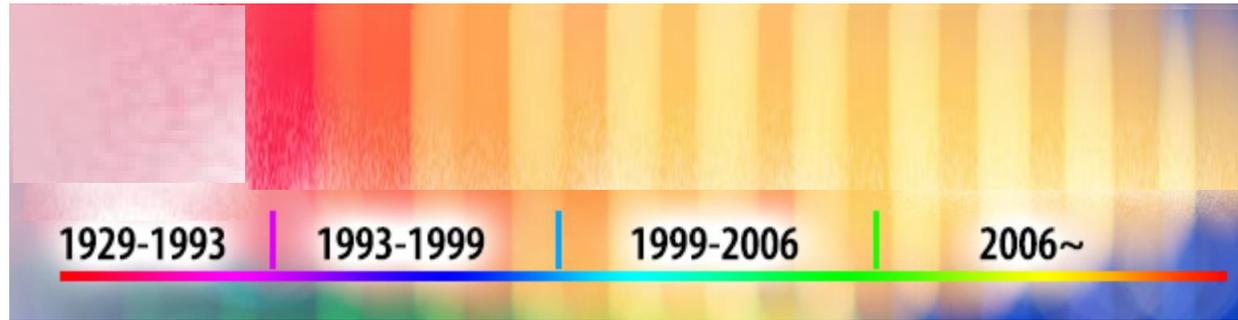

Q5. Can you identify these two past host companies and their locations? (Hint: think extremes)

Q6. Can you name these three companies and identify the order in which they occupied the same site location – visited by BPIP members twice!?

**Q7. Two of the four companies who have occupied the same site are shown below; can you name them and identify the missing two (within the history of BPIP and its predecessors!)?
Hint: think colour!**

Q8. Which of these locations is the most northerly site that BPIP members have visited?

Q9. Can you identify this company?
